

Bethany Spurrier has 20+ years Human Resources (HR) experience with emphasis in Benefits, HRIS, and payroll managing solutions in plan design, compliance, automation and communication. She is committed to the success of an organization by aligning HR policies and programs with the organization's goals and objectives. She has had many opportunities not always afforded HR professionals which include but not limited to, union campaigns, IRS and DOL audits, as well as multiple merger and divestiture activity.

Bethany leads planning, organization and implementation of assigned special projects, and has been responsible for trouble-shooting, implementing change and cost saving efficiencies. Bethany is dedicated to her profession, is successful in her endeavors, and feels strongly that a good leader understands and supports working as a team.
